The historic Dean’s Palace now the Warsaw Archdiocese Museum in the Old Town ul. Dziekana 1 (next to the Cathedral).

The Dean’s Palace is a beautiful historic building, whose full-scale renovation was completed last year. The interior is exclusive and perfectly finished.

The concert hall has very good acoustics and the highest quality grand piano produces sound that is pure and rich, which makes listening to the concerts an exceptional experience. The limited seating of 80 creates an intimate and romantic atmosphere resembling the one that was typical of the times in which Fryderyk Chopin performed. Each concert lasts about 55 minutes.
